**If you are unable to attend the December meeting elections, please refer to the ABSENTEE BALLOTS (PROXY) section of the By-Laws for details and advice with regard to nominees for more than one office.**

**Make a copy of this page.** Indicate which nominee you are voting for. Place this page in an envelope that is addressed to the President. Place that envelope inside of another envelope addressed to President Gott, with the eligible voter's name clearly printed in the upper corner along with the voter's signature. Place that package in the President's mail slot. The President will check with the membership committee to verify that the name on the outside envelope is eligible to vote. If so, then the President will open the inner envelope at the December meeting and vote as directed during the election.
